Großflächig geschützt

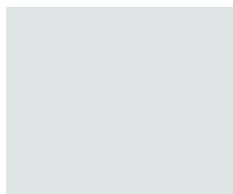

Mit den Bekleidungsplatten bietet WERZALIT auch eine Alternative für flächig geschlossene Balkonbekleidungen. Beidseitig beschichtet sind sie in zwei unterschiedlichen Materialstärken und Formaten bis maximal 3650 x 1320 mm lieferbar.

Broad protection

With cladding panels, WERZALIT offers also an alternative for gap-free balcony cladding. They are coated on both sides, available in two different material thicknesses and can be delivered in formats up to max. 3650 x 1320 mm.
